To whom it may concern:

Dear Sir or Madam:

On behalf of M&C Pump I would like to acknowledge Mr. Dylan Schopper's efforts and involvement in our new Houston facility. Dylan exhibits true professionalism when it came to the negotiating of our long term lease on the time line we required. He worked endlessly even in after hours, due to time difference between China and America, to make sure every detail in the lease met our expectations.

Dylan's attention to detail made the transaction seamless while providing information and other contactors to help with the relocation. He remained diligent in following up to make sure that the process went has promised.

Dylan handled our project with urgency, patience and has always been available even after the transactions took place. We appreciate all of Dylan's hard-work and look forward to working with him and the Northwinds team in the near future.
