To whom it may concern:

I had the pleasure of doing business with Mr. Dylan Schopper this year. Dylan's persistence and determination helped to secure our new first class building. Dylan is exceptionally loyal to his clients and did so much more than I expected.

Dylan was there for the entire process and has continued to follow up even after the transaction was complete. He and his team were meticulous about every detail, helping to make our move as smooth as possible.

Dylan Schopper successfully negotiated an aggressive deal and saved us a lot of time and stress. For any commercial real estate need in Texas, I will always recommend Dylan and his team.

Sincerely,

Mike Shaw
